Dear Esteemed Teachers and Principals,

Today, a day dedicated to honour the invaluable contributions of educators across our nation. On this 5th of September, which marks the birth anniversary of Dr. Sarvepalli Radhakrishnan, we reflect on the profound legacy of one of India's most distinguished scholars and leaders.

Dr. Radhakrishnan once said, "Teachers' minds should be the best in the country." His belief in the transformative power of education and the role of teachers in shaping the future of our nation continues to inspire and guide us. His vision remains at the heart of our educational mission, emphasizing that excellence in learning is the cornerstone of a prosperous society.

Swami Vivekananda, another great visionary, stated, "Education is the manifestation of the perfection already in man." His words remind us that education is not merely about acquiring knowledge but about discovering and developing the inherent potential within each student. As educators, you play a critical role in guiding this process, helping students unlock their full potential and realize their dreams.

Dr. A.P.J. Abdul Kalam, a revered scientist and the former President of India, expressed, "The best way to predict the future is to create it." This powerful message highlights the importance of your role in shaping the future through education. Each skill you impart, every moment of encouragement, and the dedication you bring to your work contribute to creating a brighter and more promising future for our students.

Teachers are our supporting pillars who play an essential role in guiding and bestowing with all the learning and discipline throughout a student's life. Your dedication towards tribal students will have a permanent impact on these beneficiaries.

As Commissioner, NESTS, I extend my deepest gratitude and admiration to each of you—our dedicated teachers and Principals at EMRS. Your relentless commitment to educating and inspiring students from tribal population exemplifies the very essence of the ideals expressed by these great leaders. Your work not only imparts knowledge but also builds character and encourage a sense of purpose.

On this Teachers' Day, NESTS honour your extraordinary efforts and the profound impact you have on the lives of our students. Your dedication is a beacon of hope, and your influence extends far beyond the classroom, shaping the future of our nation.

Greetings on this special day. I, on behalf of NESTS, convey my greetings to the all teaching staff along with the other support staff of EMRS because of whose help EMRS is marching ahead in the field of education. Gratitude for your unwavering commitment and for being the guiding lights in our students' journeys.

With heartfelt regards,

(Ajeet Kumar Srivastava)
Commissioner, NESTS
